II. OTHER ITEMS

Plans

a. The annual briefing of the State Department Foreign Service Inspection Corps has been set for 22 January 1957 from 0900 to 1230 in the DCI Conference Room, 214 Administration Building. The change from the previously set date of 9 January was due to a conflict with DCI and DD/P staff meetings which ruled out all weekdays except Tuesday. The date of Tuesday the 22nd was most acceptable to the Inspection Corps. Mr. Lyman Kirkpatrick, The Inspector General, has agreed to chair the meeting. First reports indicate that approximately sixteen (16) members of the Corps will attend this year.

Related Activities

b. On the afternoon of 13 December, Captain John Bulkeley (USN) of the Joint Chiefs of Staff brought over a film, "They Were Expensible", concerning the exploits of his PT boat squadron in the Pacific in the early days of World War II. About 20 members of DD/P and 10 from OTR attended. Captain Bulkeley explained various facets of the film including his missions of removing General MacArthur and later President Manuel Quezon from Luzon Island to places of safety. After the film he answered questions.

Personnel

c. Almost all of the staff will take annual leave during the Christmas week. [REDACTED]
